Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A Synopsis on the Anatidae: Or Duck Tribe In preparing the following work, the chief aim of the Author has been not the invention of new species, hut the establishment of old ones, in which he flatters himself he has succeeded. Very few synonyms of the older authors on Ornithology not having been reconciled, the chief part of those that remain (with the exception of Forskall, of whose descriptions we cannot make any thing) may be placed to the score of varieties. The list of synonyms, he is perfectly aware, might have been increased to a much greater extent, but this would have much extended the work, and not, he conceives, have answered any good purpose. Many new species are also for the first time described: for the unlimited use of the specimens lately brought home by him from South Africa, and now exhibiting at Egyptian Hall, the author takes this opportunity of thanking Dr. Andrew Smith, who will shortly publish plates of the new species of that valuable collection in this and the other classes. His warmest thanks also are due to the gentlemen in charge of the National Collection, and to the Council and Curators of the Zoological Society, for the facilities afforded him in examining their respective collections. To the Earl of Derby, Charles Darwin, Esq. William Yarrell, Esq. and also to the author of that beautiful work the Birds of Europe, he is much indebted for access to their notes and specimens. In the course of the work anatomical characters have for the first time been used for families, sub-families, and genera, where the author considered he had sufficient grounds to...
