Headmistress Press, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The dance of light and shadow unfolds across each and every page of Joan Annsfire's Distant Music. Life and death, love and loss, and the shifting patterns of time and memory, hope and regret, all swell, surge and release as steps are taken, hands are held, a face is stroked, a life is lived and examined, and a poet is born again and again, poem by poem, word by word. The movement of a revolution. The revolution of a world. A world within. And without. Distant Music is a compelling and moving collection of poems that draws us forward from beginning to end. And beginning again. -Carolyn Boll, poet/writer/dancer Distant Music is no carnival of disorder, seducing with a wild and discordant song. There is order to these poems. They become a history, a feral memoir, the travel diary of a revolutionary. A travelogue navigating the white-waters of time through the sharp hazards of health and family and love. These are companionable poems (though sometime reckless companions) that invite you to swim naked or leap from bridges. They sing of geography's immutability; memory's flexibility and betrayals of the body; but ultimately these poems sing of survival. While they lay flowers at the side of the road for peoples and things that didn't survive the journey, these are poems of passionate endurance. -G.L. Morrison, author of Chiaroscuro Kisses Distant Music is full of visceral, surprising images. If you're brave enough to stay the course, Joan Annsfire will take you joyriding on the rushing rapids, through the searing pain of childhood and a stigmatized youth, through the speaker's mother's illness and death from...
