iUniverse, United States, 2011. Paperback. Book Condition: New. 214 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Our times cry out for a new worldview; at present, our conception of the world leaves us without coherence, meaning, purpose, or value. In *I Am, Therefore I Think*, author Dr. Albert Low presents a new worldview empowering humans to act in a different, more constructive, less competitive, and obsessed way. Drawing on his life's experiences for inspiration, Low merges Western thought with Zen Buddhism to create a new worldview. In *I Am, Therefore I Think*, he gives an overview of why a new worldview is needed; provides a practical example of ambiguity at work in our relations with each other; presents an example of dynamic unity and the dynamic center at work in the corporate world and shows how dynamic unity might be measured; develops the notion of the dynamic center and gives examples of its importance in life; shows the connection of the dynamic center with schizophrenia; discusses how this new worldview enables us to legitimately study feelings in animals; discusses creativity in human beings and relates human creativity to creativity in nature. *I Am, Therefore I Think* shows how a new worldview would restore meaning and purpose and help us on the way to a genuine spiritual life.
