By Joseph S. Tulchin, Rafael Hernandez

Lynne Rienner Publishers Inc. Paperback. Book Condition: new. BRAND NEW, Cuba and the United States: Will the Cold War in the Caribbean End?, Joseph S. Tulchin, Rafael Hernandez, Covering a wide range of issues involving Cuba and the United States - from an even wider range of perspectives - this book is the result of a Wilson Centre conference convened to discuss the future of relations between the two countries. The contributors focus on the political dynamics in each country and consider how those dynamics might be affected by the rapidly shifting international configuration of forces. The book captures the conflicting ideological paradigms and the deep and powerful emotional content of the discourse between Cuba and the US. Deliberately balancing Cuban and US views, it casts into high relief the issues that complicate a rapprochement and, in so doing, establishes the bases necessary for a clearer understanding of the domestic and international factors involved in any scenario for resolving the Cuban-US conflict.
