

Growing and Using Herbs and Spices

By Milo Miloradovich

Dover Publications Inc., United States, 2011. Paperback. Book Condition: New. 213 x 135 mm. Language: English . Brand New Book. Over the years - as tastes have changed and fads have come and gone - the gentle art of the herbalist has remained a constant, year round, source of joy for an incredible array of connoisseurs - from professional horticulturists and accomplished gourmets to enthusiastic suburban gardeners and city-dwelling naturalists. This versatile, handy reference provides these thousands of amateur and professional herbalists with the most compact and complete handbook on culinary herbs and spices possible. Here, in a thoroughly delightful labor of love, are detailed instructions on how to plant, transplant, cultivate, harvest, use and preserve virtually every herb and spice available in North America today. Ms. Miloradovich takes us step-by-step through the various stages of herbal development, from preparing seedlings for early transplanting to drying, cutting and quick-freezing fragrant herbs for potpourris, medicinal lotions, pomanders, and even moth preventives. Hundreds of herbs and spices are included, each introduced with a fascinating anecdote detailing its historical background and legendry. Discover the power of cinnamon, one of the oldest spices known to man - used as a love potion by the Romans...
