AUTHORHOUSE, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This book examines the actions that we as women take in matters concerning our love, sex and attraction for a man as well as our communication with our children. It addresses women in the mist of abuse and how delicate the situation has to be dealt with. Abuse doesn't stop at the point of escape. The verbal remarks and physical abuse create lifelong scars and constant struggle. This book simply breaks down the thought pattern and expectations we often have when entering or operating in a relationship. I don't assume to know the answers I'm just analyzing my steps and trying to correct my own actions during this process. I want to open women's mind and make them think before acting. Maybe it's because for generations we were bred only to sexually satisfy, physically attract and economically support men. Is there a generational curse on us?.
