Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

THE HOUSE IN THE FOREST

Paperback. Book Condition: New. Not Signed; In her cottage in the rain-drenched French countryside, an old woman receives an unexpected visitor: a boy whispering in an unfamiliar language, and bringing sheaves of paper, the letters and jottings of her youngest son. Some time before - and not even the locals who relate the story can remember how long - her son had done as she had told him, and left to seek his fortune on a Caribbean island. Once there, the promised wealth disastrously eluded him, and soon, not far from the old woman's cottage, the locals see a mysterious stranger, with a boy and a dog, carrying planks into the woods to build a place to live, perhaps a place to die .The House in the Forest is a tantalising mystery, a gripping and lyrical meditation on love, loss and the passing of time. book.
