Trafford Publishing, Canada, 2007. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.How was the universe created, and why? What is the role of man on Earth, and that of intelligent beings on other planets, in it? What is life like on some other planets? Why is man here, what is expected of him? This in turn entails the reason for the creation of the universe, how the universe is being created and governed, and, yes, the very significant role which man on Earth is expected to play in this process. Examples are given from intelligent...
