

## Evolution or Creation?: A Comparison of the Arguments - Second Edition

By Albert J. Debenedictis

Xlibris Corporation. Paperback. Book Condition: New. Paperback. 392 pages. Dimensions: 9.0in. x 6.0in. x 1.0in. Have you ever wondered how the universe originated or whether the universe always existed Have you ever wondered how life began on earth Have you ever heard others discuss origins but felt unable to contribute to the conversation Would you like to defend your views but feel unequipped or inadequate to do so Are you unsure about what to believe Would you like to learn more about the subject of origins If so, this book will be a help to you. The subject of evolution and creation often causes much contention and controversy. The question that may be asked is, Why is there so much tension and animosity between those who hold to opposing views regarding the subject of origins Others may ask, What do those of opposing views base their beliefs upon Is there any reconciling of the different views The differences, I believe, in part are due to ones perceptions regarding science and theology. This book is not about Christians versus atheists. This book is more about creation versus evolution than about Creationism versus Evolutionism. This book is about comparing various views, opinions and...
