

Green Guide to Seashore Life of Britain and Europe

By Bob Gibbons

Bloomsbury Publishing PLC, United Kingdom, 2016. Paperback. Book Condition: New. Denys Ovenden, Melanie Perkins (illustrator). 180 x 118 mm. Language: English . Brand New Book. Bloomsbury Green Guides are portable handbooks to the most commonly found species in Britain and Europe. Our coastlines are home to a wide range of animals and plants, some that are iconic sights on beaches and others that we only see when we look more closely. The Green Guide to Seashore Life makes identifying them easy for beginners and amateur naturalists alike. Concise descriptions include information on appearance, habitat and distribution and similar species. Beautiful colour illustrations of all 150 species are included. A detailed introduction includes colour photographs and information on types of seashore habitat, shore zonation and groups of seashore plants and animals.

Reviews

An exceptional pdf and the typeface utilized was fascinating to read through. It can be written in straightforward words and phrases instead of confusing. I am just quickly could possibly get a delight of looking at a written ebook.

-- **Prof. Arlie Bogan**

It is in a single of the best book. This is for those who state there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
