

Medieval Central India: Polity, Economy and Military Organization (14th to 16th Centuries)

By Mansura Haidar

Manohar Publishers and Distributors. Hardback. Book Condition: new. BRAND NEW, Medieval Central India: Polity, Economy and Military Organization (14th to 16th Centuries), Mansura Haidar, The volume is the first of its kind as no other work based on original sources and exclusively dealing with the above subject in such detail is available. Central Asia has remained to be a world apart though its institutions, administrative terminology, methods of warfare, pattern of handicrafts seem to flicker in many other civilizations. The wide spectrum of the study and varied contents of this book depict multifarious aspects of Central Asian history ranging from civil to military organization, tribal to settled, agrarian to artisan population and the life and activities of Naqshbandi saints in the state business. It further deals with political set-up, changing notions of state craft, economic structure, system of taxation which go to make the medieval Central Asian life come alive. Published in association with Centre for Advanced Study, Aligarh Muslim University.
