This book is part of a series of books called RESCUING KNOWLEDGE PROJECT The point of presenting this work is to reintroduce knowledge and materials which have not been in the public eye for a significant portion of time, and to offer them to the current, modern Collective Consciousness. It is important in this fast paced world to look at subjects that are not based in technology or modern trends, and do not provide immediate gratification or social acumen as a means to an end. Therefore I chose to re-present these materials so that modern minds benefit from the focus required to study these kinds of materials. In this case, studying a language which is comprised of an alphabet rarely seen in this current modern period of time is a clear stretch toward broadening one's landscape. This book is based on the content of a book published in 1890. Studying material from that period does not require one to...
