Writing a Successful Research Paper is a brief, practical guide that offers a clear and comprehensive strategy for conceptualizing, approaching, and executing the task of writing a research paper in the humanities and social sciences. In addition, it provides: a critical and process-oriented approach to the tasks of topic selection, formulation of the research question, thesis development, and argumentation, judiciously selected examples drawn from a broad range of disciplines, concise treatment of the aims, methods, and conventions of scholarly research, including the opportunities and pitfalls of Internet use, a wealth of conceptual and organizational tools, and more. Writing with Sources was developed for Harvard University's Expository Writing Program, Writing with Sources describes the main principles and methods of integrating and citing sources in scholarly work, and provides cogent guidance on avoiding the misuse of sources....
