Pharmacology Case Study Workbook

By Kathy Latch Putnam

Jones and Bartlett Publishers, Inc, United States, 2010.
 Paperback. Book Condition: New. Workbook. 274 x 216 mm.
 Language: English . Brand New Book. Written by a distinguished nursing professional with over 25 years of experience, Pharmacology Case Study Workbook provides nursing students with an opportunity to apply pharmacology concepts to real-world situations. The text features 50 case studies based on real-life clinical situations that challenge students to think critically and develop effective problem-solving skills. Case studies present patients medication history, enabling students to learn about the disease process from the point of medication use - an approach used in actual clinical practice. Other features include a review of key terms, home and intensive care scenarios, and a list of variables that must be considered in order to conduct an appropriate case analysis. Also present are a series of questions that will help guide students in developing effective ways to handle the scenario. Perfect for individual or group use, Pharmacology Case Studies is a valuable tool to help prepare nursing students for clinical practice!.
