Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Random House Children's Publishers UK. Paperback. Book Condition: new. BRAND NEW, Darcy Burdock, Laura Dockrill, Ten-year-old Darcy Burdock is one of life's noticers. Curious, smart-as-a-whip, funny and fiercely loyal, she sees the extraordinary in the everyday and the wonder in the world around her. In this first book, we are introduced to her family: Mum, who Darcy loves as much as her favourite fried egg and chips, Dad, who is kind and fair if a bit hopeless, and little siblings Hector and Poppy, who Darcy likes dressing up in ridiculous outfits and having dance-offs with, respectively. Plus there's her non-bleating pet lamb, Lamb-Beth and best friend, Will, to have adventures with. Darcy learns that turning into an angrosaurus-rex and causing chaos just gets her in trouble, trying to run away from home with a reluctant lamb in tow leads to sore kneebows, it's best not to throw a massive strop just before your surprise birthday party, Hallowe'en is all about spider costumes and having a pumpkin with a wonky eye, and if she's ever in a situation at home or at school where she's not sure what to do, she should write a story around it and the truth will be illuminated by her imagination.
